

St Andrew's C of E Infant School Newsletter 13th January 2023

A message from Mrs Woan:

This week the children have been busy learning in lots of ways. Reception children have started Bike Safe lessons and are learning how to ride a bike. Year 2 children have made rockets to 'blast off' their space topic and Year 1 have been playing with old toys; which they have loved.

A HUGE shout out and thank you to Mrs. Standen, one of our Year 1 parents who is a member of the PTFA. She has worked really hard for school and won £1000 grant for us! This has gone towards funding the new shed in the playground.

Have you logged on to dojos yet? You get to see what your children get dojos for and how many they are getting. Check seesaw messages for the link or click below.
