### **Enormous personal thanks**

Dear Mrs K Hutchins,

It's difficult to not sound insincere or trite in this format, but I just wanted to write and thank you all for all your hard work in schools. Leadership, teachers, TAs, kitchen staff, support teams and cleaners.

I have close friends in the education profession, and I regularly hear from them how difficult it's been. When the press have said schools were shut, it made them fume, and I know they haven't and you have been pulling out all the stops.

With today's safe return to school for our children, I wanted to write to say a personal thank you for everything you are all doing in these unprecedented times.

I can help, I'm here, I don't promise to have all the answers, but I can promise to try. My contact details are all in the footer below, and I'm happy to convene zoom/teams multi school meetings or even visit with you should you want to raise anything.

All my very best wishes for this week and my thanks again to you and to your brilliant team for everything you are doing for our young people.

With Kind Regards
