

Message from Mrs. Woan:

I can't believe that we have reached the end of another half term. The children are growing so much both physically and academically.

Year 2 have now finished all of the Year 2 SATs quizzes and have worked so hard. We are all very proud of them. Children's attainment will be shared with the children's reports at the end of the year.

Year 1 classes will be doing the phonics screening check during the week of 12th June. PLEASE make sure your children are in school during this week. It is a simple task which measures each child's phonic knowledge.

We are currently trying to book end of term trips for classes. Booking coaches is proving to be a challenge. Does anyone work for a coach company?

Have a lovely half term holiday with your children. School reopens on **Tuesday 6th June at 8.40am.**
