

St Andrew's C of E Infant School

This week we have...

WB:16.10.2023

- Been revisiting all of the sounds we have learnt so far (s, a, t, p, i, n, m, d, g).
- Been working on the numbers 1, 2 and 3! Focusing on number recognition.
- Been reading the story Pumpkin Soup! We have been drawing lots of pictures and adding magic to them.
- Made pumpkin soup! We had to chop and scrape the pumpkins, add all of the other ingredients then put them all into a big soup blender! We were all really brave and tasted the soup, most of us thought it was delicious!
- Made our class prayer. We spoke about all of the things we are grateful and thankful for in school following our discussions about being thankful for the harvest and harvest time.
- Continued with our music unit 'me!'.
- Been making pumpkins out of playdough and card, we also made mud soup in our outdoor kitchen!
- Been to church with school for the first time! We were all so grown up and sang our harvest songs beautifully.
- Continued to watch the trees outside and have noticed more of the leaves turning orange, yellow and brown!
- Completed our first half term in school! Well done 😊
