

St Andrew's C of E Infant School

This week we have...

WB: 29.01.24

- Been comparing Leyland to Lyme Regis! We spoke about Leyland being a town and Lyme Regis being a seaside town. We went on google earth to walk around Leyland and even virtually visited some of our houses, we thought that it was so cool!
- Been learning the story of Daniel in the Lions' Den. We spoke about how Daniel was brave and a time when we have been brave. We then made a giant Lion collage in the craft area using lots of loose parts.
- Brought a special Teddy into school and had a Teddy bears picnic! we talked about why our Teddy is special to us.
- Been learning new phonic sounds. Children who have phonics with Miss Church or Mrs Pinder have learnt th (as in bath), th (as in this) and ng. Children who have phonics with Mrs Linney have been practicing blending and segmenting. Children who have phonics with Mrs Barber/Mrs Pope have also been trying hard with their blending and segmenting.
- Found an egg in our outdoor area! It didn't move for 3 days! We put a blanket over it to keep it warm, then on Thursday morning we spotted footprints and noticed that it had hatched and vanished! Mrs Woan found a video of what it was and it was a dinosaur! We wrote simple sentences about what we thought was inside the egg.
- Been learning about numbers 6 and 7! We have been practicing our number composition up to 7.
- Been learning how to do different gymnastic rolls in PE e.g. egg roll, pencil roll, forward roll and rock and roll. *Can the children show you them at home?*
