Learning, Caring and Growing Together in Faith

Message from Miss Glassbrook:

We have had a great week in school. On Monday, Dr Bike visited as part of Road Safety day to help fix some of your bikes. This week we have been discussing the importance of road safety with the children.

Children throughout school have produced some amazing writing this week. Reception have been writing super sentences all about worms, Y1 have written wonderful sentences about Paddington and his adventures and in Y2 they have been writing stories linked to The Goggle-Eyed Goats text.

I hope you all enjoy the bank holiday weekend and we will see you back at school on Tuesday 6th May.

Well done everyone!

Congratulations to Gabbi, our amazing family support worker! She has secured a new role as a SENDIAS Liaison Officer, where she will be working to advocate for and provide support to SEND children in Lancashire. We are very proud of her achieving this promotion and are sure she will be an asset to her new team. Gabbi will be leaving our school at half term.

I would like to take this opportunity to thank Gabbi for all her hard work in her role at St. Andrew's. She is a valued member of our team and I know she has supported many families as well as staff members during her time at our school. We will miss her.

We are in the process of recruiting for this role and will keep you informed.

Reading

The more you
READ,
the more things
you will KNOW,
the more you
LEARN
the more places you will GO

This week we have been talking to the children about how important reading at home is. This really helps them to make progress throughout school. At this age, we can't do this without the support of parents. Please read with your child at home as much as possible and let us know using the reading records. Children get 1 dojo point each time they read and they are all working towards getting Dojo Day at the end of term.

Thank you for your continued support.
