Learning, Caring and Growing Together in Faith

Message from Miss Glassbrook:

Last Saturday it was our amazing Summer Fair - it was wonderful to see so many of you there and we didn't let the rain stop us! Thank you to everyone who helped make our Summer Fair a huge success. A special thanks to Miss Scott and to Nat Hopson, their organisation ensured that the day ran smoothly and we all had a great time.

Yesterday was Sports Day. Thank you to parents and carers for making the time to attend this event which was enjoyed by everyone and to Mrs Martin who organised the day. The children all showed great enthusiasm and perseverance. Well done children - we are all very proud of you!

This week Year 2 have started their end of year assessments and this will continue next week. The children are all working hard, trying their best and showing us how much progress they have made with their learning during their time at St. Andrew's.

Have a lovely weekend everyone and see you on Monday!

Jesus said, 'As I have loved you', so you must love one another.'

Miss Walsh

This week we warmly welcome Miss Walsh to the St. Andrew's School family. In her role as Family Support Worker & Learning Mentor, Miss Walsh will provide invaluable support for pupils and their families across school. This week she has enjoyed getting to know the children and meeting with some families to begin providing support.

If you would like to get in contact with Miss Walsh, you can email her on h.walsh@st-andrews-inf.lancs.sch.uk or send her a message using Dojo. Alternatively, you will see her around school when dropping off and picking up your child. You can always drop into the office and if she is available, she would be happy to support.
