### Kingfishers Class

#### Summer 2

This half term we have been learning all about Jesus' ascension to heaven and the Pentecost. We began by looking at then events of Pentecost and how the gift of the Holy Spirit was poured out onto the disciples and how it is still with us.

The children have demonstrated their understanding of the Pentecost through recreating Jesus' ascension to heaven using lego, writing questions they had about the day and by creating their own artwork including the symbols of the Holy Spirit.
