After all of that we spoke about lots of special dates and times on the calendar – birthdays, saints' days, festival days, holidays etc and why they are all so important.

We learnt about the special time of Vaisakhi – A sikh festival. We watched a video of Sarbjot as he is getting ready to celebrate Vaisakhi. Vaisakhi is a celebration of remembering the start of the Sikh religion which is very important to Sikhs. We then spoke about why remembering special times is important.

We have a parade in Leyland similarly to the parade they have to celebrate Vaisakhi, we watched a video of Leyland parade and compared the 2 special times.

We watched a video of Sumedh telling us all about the festival of Holi. There are lots of festival foods to prepare and enjoy.

We spoke about wearing our best/new clothes for celebrations. But Sumedh needed his old clothes, why? What was the colourful messy surprise?
