Learning, Caring and Growing Together in Faith

Message from Mrs Glass-Brook:

We've had a fantastic week in school, with the children busy and enjoying their learning across all year groups. We have also enjoyed getting outside and making the most of the sunshine!

Our Reception children have settled in beautifully - they are joining in with worship, playing well together, and showing great enthusiasm for school life. Well done Reception - we are so proud of you!

In Year 1, the children have loved using their senses in science and exploring colour mixing in art, producing some wonderfully creative work. Meanwhile, Year 2 have been investigating habitats and microhabitats, showing great curiosity and care for the natural world.

Across the school, all children have been putting in lots of effort with their handwriting - it's lovely to see their pride in their progress!

I hope you all have a great weekend and we look forward to seeing you on Monday!

Meet the Teacher Meetings

This is an opportunity for you to come into the classroom with your child at the end of the school day and meet your child's class teacher. During the meeting staff will share important class information with you and there will also be an opportunity to chat with them and ask any questions you may have.

Please note an amendment to the times of these meetings. This is to help so that the meeting doesn't interfere with picking up siblings at Woodlea. Please come to the classroom doors for 2:45pm on the day of your meeting. During this time, children will be busy with activities in the hall to give you chance to attend and ask any questions.
